Sacred Gardens Traditional Agriculture Practices Survey

Emigdio Ballon (Quechua/Bolivia), and Lorraine Kahneratokwas Gray (Mohawk) are currently in the research phase of a book featuring traditional agricultural, sacred planting methods, and celebration practices of cultures across the globe. We invite you to share your stories and traditions around food and agriculture.

Mission Statement: We are a diverse group of people dedicated in preserving and sharing our cultures and restoring a healthy way of life through a collective effort of farmers, educators, healers, youth, elders, and spiritual leaders.
